Council Members,

I want to first thank you for your commitment to serving your community and working tirelessly to improve your municipality. Since I was elected in 2016 as your state representative, I have enjoyed working collaboratively with you on my #1 mission of bringing JOBS to the 10<sup>th</sup> Legislative District.

I believe it is the responsibility of our government to work together for our region and bolster our communities. Council members and legislators alike have the important responsibility of creating pro-growth environments in which businesses can thrive and serve our constituency.

Earlier this year, I worked with Slippery Rock Borough to formulate a proposal that would recruit businesses to our region. In June, 2018, Slippery Rock Borough unanimously voted to provide a 25% reduction in fees to any new business that came to or established a location in their borough. This reduction of fees applies to Simple Subdivisions, Land Development, Conditional Use Applications, Zoning Permits, Variances and Special Exceptions, Liquor License Transfers, New Sign Permits, Sign Revisions, and even Building Permit Fees.

It is my goal to have each of the 24 municipalities in the 10<sup>th</sup> Legislative District adopt similar resolutions that would incentivize businesses to start and locate to our area.

If I can be of any additional assistance to you on this issue, please do not hesitate to contact me.

Respectfully yours,

A handwritten signature in blue ink that reads "Aaron J. Bernstine".
