Department of Education  
333 Market Street  
Harrisburg, PA 17126

Secretary Ortega:

Please see the attached exhibit that was provided to me from individuals who attended a seminar at Grove City College in Grove City, Pennsylvania. At this seminar, attendees were informed that this diagram was distributed by the United States Department of Education to the Pennsylvania Department of Education, and is an option to be used in curriculum for students in the 6-7 age range.

I have two questions regarding this particular exhibit as well as the "Genderbread Person" and "Gender Unicorn" in general.

1. Are these, or similar diagrams, part of any curriculum that is endorsed or supported by the Pennsylvania Department of Education? If so, please provide documentation about when and to whom this information was distributed.
2. Are these, or similar diagrams, used in any continuing education courses that are approved by the Pennsylvania Department of Education? If so, please provide documentation of what continuing education courses include these diagrams.

Thank you in advance for your prompt response on this very important matter.

Sincerely,

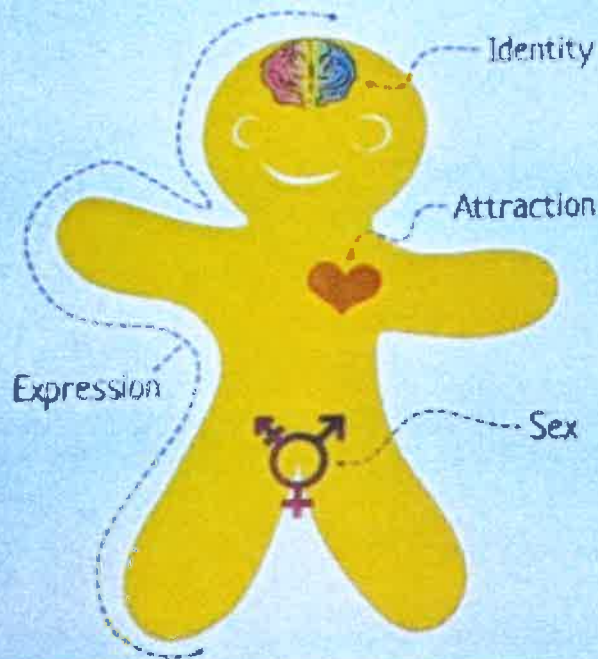

A handwritten signature in cursive script that reads "Aaron J. Bernstine".
